

Important Practice Changes for Cheyenne Mountain Gynecology

Dear patients and clients of Cheyenne Mountain Gynecology (CMG):

We are happy to inform you that MedNow Clinics of the Greater Denver and Colorado Springs area will acquire CMG as of 6/1/25. CMG will continue to give you the same outstanding service as before but with more in-network insurances that were not accepted in the past, like Kaiser and Humana.

Our electronic medical record (EMR) will be changing to **Athena Health** and your current records will be transferred to the new EMR or kept in a secure PDF file. All communications and refill requests will need to be submitted through the new EMR and/or by calling the office for such requests. You will continue to see the same smiling faces at our reception desk: Shelby and Amy. Spa services will remain the same with Shelby.

We will also be welcoming new staff members: Annabelle Yoo, FNP-C and Lacie Fedewa, FNP-C

Annabelle Yoo is a Board Certified Family Nurse Practitioner with nearly a decade of healthcare experience as a Women's Health RN. She earned her BSN at Colorado State University and MSN at Frontier University. She also holds an MFA degree from Columbia University. She brings with her a passion for preventative medicine and wellness care and teaches yoga and meditation. Annabelle is also a certified aesthetic toxin and filler injector and will take over Stephanie's clients for those requests.

Lacie Fedewa has been a Family Nurse Practitioner since 2011. She was born and raised in Michigan and practiced family medicine for 7 years prior to moving to Colorado and since has worked in women's health, about which she is most passionate.

Stephanie Fink, MSN, NP, CNM will be moving out of state with Dr. Fink & family in July. She is full of gratitude for all of her patients that have entrusted her and the team at CMG for their health and wellness.

Thank you to all of our valuable patients and clients for trusting CMG with your care. We are happy to answer any questions you may have about this transition. We are sad to see Stephanie leave us for the beautiful state of Florida. At the same time we are excited about the future of CMG and excited to continue to provide you with the same excellent patient experience you have come to expect.

Sincerely,

Stephanie Fink, MSN, NP, CNM
